First Sunday for Foster Care!

Fr. Terry, Deanna, and Sharon Marchman went to explore Project 2.5+ in September in Monroe. Project 2.5+ is a local organization that works to collect and distribute new and gently used items to foster families in the Ouachita area. Located in north Monroe, they have established a shopping area in a church and schedule families to come and “shop” for what they may need at the time.

Items in the free store include all sorts of items such as clothes, kid’s furniture, toys, baby supplies, school supplies, etc.! Project 2.5+ is always in need of more items and hands on help, which is where we come in!

Starting in November 2021, All Saints is establishing “First Sunday for Foster Care” which will be an ongoing monthly day (the first Sunday of each month) of collection of items and donations for Project 2.5+. On this day, bring any items that your kids or grandkids have outgrown, toys that may be just lying around, or even new kids items that you think are cute!

Please join us in supporting this amazing organization and the foster families who are serving in the Ouachita area.

If you have questions, please ask! I know I am excited about this and would love to talk about it! -Deanna

Find them on Facebook!

Upcoming Events

October 27- Daughters of the Holy Cross Monthly meeting following Wednesday Evening Prayer

October 30- Boo at the Zoo! Please contact Deanna or Fr. Terry with any candy or monetary donations!

November 7- First Sunday for Foster Care! Please see on this page what this is and how you can help! Bring any items on this Sunday.

November 7- Vestry Meeting

Building up the Body

The 39th Annual Diocesan Convention
November 12 & 13, 2021

Later this fall, a group of parishioners will travel to meet with the rest of our diocese for the annual diocesan convention. Please be in prayer for those who are attending and for our leadership as they discuss the business of the church and the future of our diocese.

Boo at the Zoo

October 30th

All Saints has reserved a table at the annual Boo at the Zoo event at the zoo! We will be decorating the table and distributing candy to the children who attend the event. If you would like, donations of candy would be much appreciated as the zoo is expecting 2500 children! Please reach out to Deanna if you have questions.

We have a piano!

Thanks to a generous donation from an anonymous donor, All Saints now has a piano! God is good!

Don't Forget!

If you are interested in confirmation or want to learn more background about the Anglican faith, or even just want a refresher course, Fr. Terry will be starting a class following Wednesday Evening Prayer each week.

Please let Fr. Terry know soon if you would like to join the class! First class is October 13th.
